PRELIMINARY AMENDMENT

This Preliminary Amendment is being submitted with a Request for Continued Examination of the above-identified application, and addresses rejections made by the Examiner in the March 13, 2003 Final Office Action and July 23, 2003 Advisory Action issued by the United States Patent and Trademark Office in connection with the above-identified application. Applicants timely filed a Notice of Appeal on September 13, 2003, which was stamped by the United States Patent and Trademark Office as received on September 15, 2003. However, since November 15, 2003 falls on a Saturday, an appeal brief filed on the next succeeding day which is not a Sunday or Federal Holiday, i.e. November 17, 2003, is deemed timely filed. Accordingly, this Preliminary Amendment, as a submission filed with a Request for Continued Examination of the above-identified application
